Don't just  
enjoy senior living.  
*Redefine it.*

## Life doesn't slow down at Encore at Turf Valley unless you want it to. This is senior living as lively as it is advanced.

Residents here enjoy a uniquely stimulating calendar of events, with live music, exercise, crafts, movies, dance, discussions and more. We offer a movie theater, a beauty shop, open-kitchen restaurant-style dining, a friendly social scene and a café for residents and their guests. There's even a bar for happy hour.

And then, there are the surroundings. The beautiful grounds. The quiet, relaxing courtyards. Plus, unique assisted living floor plans that help you quickly feel at home. Nearby are beautiful Ellicott City and the Turf Valley Resort and golf course. All just some of the many reasons we like to call ourselves Club Encore.

When it comes to health and wellness, the excellence continues with a responsive, robust continuum of care between our Assisted Living and Skilled Nursing facilities. If and when you need care, skilled professionals are here, equipped with advanced technology including upcoming iPerformance telemedicine suites and the full offering of Lorien health services, including both Inpatient and Outpatient Rehabilitation Therapy with Outpatient Lymphedema Therapy coming soon.

This is ideal senior living. *What you want plus what you need.*
